REGISTRATION

INFORMATION

The Bannatyne CPD Program for Primary Care Plenary Sessions & The Community - Based CPD Program for Primary Care

If you register for the Community-Based Program, and pay the annual fee, you may attend any of the Bannatyne Sessions at no additional charge. Contact Karyn Iversen at 204-480-1368 or karyn.iversen@umanitoba.ca.

	ANNUAL	SINGLE EVENT/DAY
PHYSICIAN	\$845.00	\$190.00
NURSE & ALLIED HEALTH	\$360.00	\$75.00
RESIDENT/STUDENT	N/A	\$35.00

* The annual fee does not include the skills labs or the Brandon Primary Care Conferences.

REGISTRATION CANCELLATION POLICY

Didactic Lectures – full refund less a \$35 administrative fee if cancelled 10 days or more before the event. No refund past this date.
Skills workshops – full refund less a \$35 administrative fee if cancelled 14 days or more before the event. No refund past this date.

“Connected me with resources in the community. Has very valuable information for everyday practice!”

BRANDON PRIMARY CARE UPDATES | JUNE 3-4, 2016

BANNATYNE CAMPUS

CPD PROGRAM FOR PRIMARY CARE

- Combination of plenary sessions and workshops that will allow the participant an opportunity for interaction in a convenient, centrally located venue.
- Enhance clinical competence and improve patient care provided by primary care clinicians.
- Provide numerous opportunities for hands-on learning.
- Approximately 48 hours of lectures and workshops throughout the academic year commencing in early October and ending in June.

FALL 2016

OCTOBER 14, 2016 RESPIRATORY UPDATE

Asthma Update* | Pediatric Respiratory Problems* | Demystifying the Chronic Cough* | Office Spirometry | What's New in COPD* | Community Acquired Pneumonias

NOVEMBER 4, 2016 INNOVATIONS IN ACCESS TO EVIDENCE BASED MENTAL HEALTH CARE*

Mental Health care accounts for twenty percent of all primary care visits. How prepared are front line workers to rise to this challenge? This educational program is dedicated to psychiatry in primary care with a focus on community access to care, resources and updates on common psychiatric topics.

****PLEASE NOTE November 4 only will be held at the Samuel N. Cohen Auditorium, 351 Taché Avenue.**

DECEMBER 2, 2016 WHAT'S NEW IN PRIMARY CARE

Physician Assistance in Dying | Dangerous Drug Combinations | Hypertension Update – How Low Can You Go?* | NOAC's – What You Need to Know* | Can You Identify Meningitis?* | What's New in HIV* | Hot Topics in Infectious Diseases*

CFPC Group Learning Mainpro+

This Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by the CPD Medicine Program, University of Manitoba for up to 4.5 Mainpro+ credits.

RCPC Section 1

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada, and approved by the CPD Medicine Program, University of Manitoba for a maximum of 4.5 hours.

Participants should only claim credit for the actual number of hours attended.

Pharmacy Credits

The College of Pharmacists of Manitoba recognizes learning activities that have been accredited by The Royal College of Physicians and Surgeons of Canada (MOC) and/or The College of Family Physicians of Canada (Mainpro+). Pharmacists can claim these continuing medical education programs as accredited learning by selecting the appropriate accrediting body in the member's online Professional Development Log.

WINTER/SPRING 2017

JANUARY 6, 2017 MORE THAN SKIN DEEP... TOPICS IN DERMATOLOGY*

Name That Rash!! | Psoriasis | Fingers and Toes...Nail Disorders | Gyne-Derm... It's Not Just Lichen Sclerosus | Alopecia | Rosacea

FEBRUARY 3, 2017 THE CHALLENGES OF AUTOIMMUNE DISORDERS

Rheumatoid Arthritis in Primary Care | Celiac Disease Update | Primary Biliary Cirrhosis | Multiple Sclerosis – A Primer | Polymyalgia Rheumatica – Can You Diagnose It? | Myasthenia Gravis and Related Disorders | Sarcoidosis

MARCH 3, 2017 MOVING THROUGH MSK DISORDERS

Common Shoulder Injuries* | Concussion Update* | Common Foot Disorders | Knee Pain in the Office* | What's New in Stroke Rehab?* | Common Pediatric Ortho Problems*

APRIL 7, 2017 HEALTH CARE FOR THE ELDERLY: AN INTERPROFESSIONAL LEARNING EVENT*

Canadians are living longer and healthier lives, but care of the elderly and the multi-morbidity that accompanies aging is a challenge for health providers.

This signature interprofessional learning day will offer busy practitioners of all disciplines a crucial update on optimizing the work we do with elderly patients/clients and their caregivers.

A visiting keynote speaker will kick off this much anticipated event!

JUNE 2, 2017 ENDOCRINE DAY

Diabetes Therapeutic Update* | Andropause...Just the Facts!!* | Topics in Pediatric Endocrinology* | Stop! Do You Really Need to Order That Test? | Polycystic Ovarian Syndrome | Management of Calcium Disorders | Obesity Update*

FALL 2016

OCTOBER 14, 2016 BCLS

An essential for every clinician - Basic Cardiac Life Support for the primary care provider in the office setting.

NOVEMBER 4, 2016 CBT TECHNIQUES FOR TREATING INSOMNIA*

This workshop will focus on evaluating insomnia in adults and providing strategies for treating and coping with sleep disorders through cognitive behavioral therapy.

DECEMBER 2, 2016 VESTIBULAR MANEUVERS IN THE OFFICE

Back by popular demand! During this interactive workshop, participants will become more familiar with maneuvers for diagnosing vestibular conditions as well as home exercises that are central to the vestibular rehabilitation therapy program.

INTRO TO POINT OF CARE ULTRASOUND
Interested in bedside ultrasound? This interactive session in our CLSF lab will introduce you to the basics of Point of Care Ultrasound.

WINTER/SPRING 2017

JANUARY 6, 2017 OFFICE DERMATOLOGY PROCEDURES*

This hands on workshop will teach the essential skills of performing biopsies as well as other office dermatological procedures.

FEBRUARY 3, 2017 JOINT INJECTIONS*

This popular simulation-based workshop will focus on intra-articular and soft tissue injection techniques.

MARCH 3, 2017 SPLINTING AND TAPING TECHNIQUES FOR MINOR INJURIES*

This interactive workshop will provide an overview of common splinting and taping techniques for soft tissue injuries encountered by primary care workers in the office, ER and in the field.

JOINT EXAMINATION
A refresher course on how to examine the shoulder and knee in the primary care setting.

**APRIL 7, 2017
THE COMPETENCY ASSESSMENT**
This workshop will provide participants the skills in performing a competency assessment in patients presenting with conditions that affect cognition.

**JUNE 2, 2017
WOUND CARE***
This highly interactive workshop will focus on all aspects of wound care management through the lens of various specialities.

CFPC Mainpro+ Group Learning
This Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified for up to 4.0 Mainpro+ credits.

Participants should only claim credit for the actual number of hours attended.

COMMUNITY

BASED CPD PROGRAM FOR PRIMARY CARE

Operating in 12 Manitoba communities, this program offers physicians practicing outside of Winnipeg the opportunity for onsite or videoconference CPD sessions. In addition, all sites receive the Bannatyne Campus program by videoconference through MBTelehealth.

In order to address the unique clinical characteristics of each community, this program has community physicians who chair each session. These physicians identify the learning needs of their colleagues and work with the U of M CPD Medicine Program to organize CPD events.

The Community-Based Program is supported by an unrestricted education grant from the Office of Rural and Northern Health.

2016-17 SCHEDULE

Topics subject to change

*Denotes a CFPC 99 priority topic in Family Medicine

SOUTHERN HEALTH – SANTÉ SUD

PRAIRIE MOUNTAIN HEALTH

CONTACT: ERIN JANSEN erin.jansen@umanitoba.ca or 204-975-7706

BRANDON

FALL CONFERENCE: October 28 & 29, 2016 - Royal Oak Inn, Brandon, MB

SPRING CONFERENCE: May 26 & 27, 2017 - Elkhorn Resort, Onanole, MB

Prairie Mountain Health has collaborated with U of M CPD Medicine Program to offer a twice yearly program (one each in the spring and fall) called the Brandon Primary Care Conference. This program is designed to provide a wide range of timely and challenging topics relevant to physicians working in outpatient and inpatient settings. The main program objectives are to enhance clinical competence and improve patient care. This program will feature a combination of lectures, case studies and hands-on activities.

BRANDON PRIMARY CARE CONFERENCE INCLUDES:

- Plenary sessions featuring presentations on MD Burnout, Overcoming Addiction in Physicians, Improving Resiliency, Mindfulness, Billing, Intro to Integrative Medicine, Navigating Mental Health Disability*, Medical Marijuana, Mini-Meds Topics, Osteoporosis Update*, Common Pediatric Topics*, Identifying Sepsis, Dermatology in Primary Care*, Medical Assistance in Death, Identifying Meningitis*, Rheumatology Update, New Topics in Cardiology*

CFPC GROUP LEARNING MAINPRO+

This Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by the CPD Medicine Program, University of Manitoba for up to 5.75 Mainpro+ credits.

- Skills Workshops

CFPC GROUP LEARNING MAINPRO+

This Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified for up to 8.0 Mainpro+ credits.

Participants should only claim credit for the actual number of hours attended.

FEES

Physician	\$200.00
Nurse and Allied Health	\$100.00
Resident	\$ 35.00
Workshop	\$175.00

Please note the CPD annual fee does not include this event.

RCPSC SECTION 1

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada, and approved by the CPD Medicine Program, University of Manitoba for a maximum of 5.75 hours.

ADDITIONAL

CPD PROGRAMS FOR FAMILY PHYSICIANS & PRIMARY CARE

ARRHYTHMIA DAY 2016

September 30, 2016

Frederic Gaspard Theatre, Basic Medical Sciences Building, 745 Bannatyne Ave.

This one-day program will provide an overview of advancements which have been made in the areas of diagnostics, prevention, medical, and surgical treatment of arrhythmias.

Contact: karyn.iversen@umanitoba.ca or 204-480-1368

BACK TO ANATOMY 2017

February 4, 2017

Gross Anatomy Lab, Basic Medical Sciences Building, 745 Bannatyne Ave.

Under the guidance of experienced human anatomy teachers, it's your chance to work in small groups as you review the anatomy of the lower and upper extremities. It's "back to anatomy" in the lab you remember from your training for an "engrossing" morning! In rotating stations, you will receive overviews of the key 3D spatial relationships in the shoulder, knee, elbow, and other structures. You will explore a variety of prosected specimens and refresh and relearn the anatomy that underpins the diagnostic and therapeutic work you do every day in clinic.

Contact: erin.jansen@umanitoba.ca or 204-975-7706

BUG DAY – 20TH ANNIVERSARY 2016

October 18, 2016

Basic Medical Sciences Building, 745 Bannatyne Ave.

Bug Day is Manitoba's largest healthcare education event. After attending Bug Day, you will be able to: promote infection prevention and control principles and practices; promote hand hygiene awareness and safe health practices for the prevention of infection; identify emerging and existing pathogens, at risk populations and situations relevant to the transmission of infection, and how we can modify these conditions.

Contact: CDGarlinski@hsc.mb.ca

DSM DIGITAL PATHOLOGY SYMPOSIUM

September 16-17, 2016

Radisson Hotel, 288 Portage Ave.

Become part of the of the digital pathology conversation, six world-renowned speakers from North America and Europe will share their digital pathology views and experiences.

Contact: erin.jansen@umanitoba.ca or 204-975-7706

FOUNDATION COURSE IN OCCUPATIONAL MEDICINE

The Foundation Course in Occupational Medicine, developed by the University of Alberta's Division of Preventative Medicine, is a distance learning course designed to provide knowledge and skills in the areas of occupational medicine encountered in family medicine and other community based clinical practice. Registration information, including participant enrolment eligibility, important dates, and tuition fees are available on the course website: www.foundationcourse.ualberta.ca

Contact: allen.kraut@med.umanitoba.ca

EKG EXAM ADMINISTRATION

Cost: \$250

The CPD Medicine Program oversees an approved examination developed by the section of cardiology at the University of Manitoba's Max Rady College of Medicine. The examination is a requirement for any physician wanting to provide official interpretation of EKG's in the province of Manitoba, who are not certificants of the RCPSC in cardiology, or hold a certificate of special competence in cardiology.

Contact: lenore.chipman@umanitoba.ca or 204-789-3238

MAAP SUMMER SYMPOSIUM 2017

August 18-20, 2017

Hecla Lakeview Resort

The Manitoba Asian Association of Physicians (MAAP) Summer Symposium will provide the participants an opportunity to acquire and review clinical knowledge relevant to full family medicine practice.

Contact: erin.jansen@umanitoba.ca or 204-975-7706

MEDICATIONS, EVIDENCE & DECISION SUPPORT (MEDS) CONFERENCE

February 11, 2017

Frederic Gaspard Theatre, Basic Medical Sciences Building, 745 Bannatyne Ave.

The MEDS Conference is a powerful new education event that casts a critical eye on the evidence of benefit of the medications we prescribe every day. A collaboration between the College of Pharmacy and the Max Rady College of Medicine, this full day Saturday event is free of industry support. It features accomplished speakers that will entertain and sharpen your judgement as you make prescribing decisions.

Contact: lenore.chipman@umanitoba.ca or 204-789-3238

MPAR - CPD CREDITS FOR MPAR PARTICIPATION

Convert your participation in the Manitoba Physician Achievement Review (mpar.ca) into 8 Mainpro+ credits! Reflect on your report with a trusted peer, complete the U of M form provided by the College of Physicians and Surgeons, and submit to the CPD office for these valuable credit hours. An MPAR is completed every seven years by all Manitoba doctors.

Contact: karyn.iversen@umanitoba.ca or 204-480-1368

OBSTETRICS AND GYNECOLOGY: CELEBRATING THE PAST: EMBRACING THE FUTURE

September 22-23, 2017

Frederic Gaspard Theatre, Basic Medical Sciences Building, 745 Bannatyne Ave.

The new Women's Hospital at The Health Sciences Centre will open in 2017. Come celebrate with us as we learn from invited guest speakers from Manitoba and beyond through keynote addresses and small group sessions. Tour and learn in the new facilities as well as our current ones.

Contact: lenore.chipman@umanitoba.ca or 204-789-3238

ORTHOPAEDIC SYMPOSIUM

October 20-21, 2016

Sam Cohen Auditorium, St. Boniface Hospital Research Centre, 351 Taché Ave.

The annual Orthopaedic Symposium provides a forum on the latest treatment of orthopaedic problems and is designed to enhance the knowledge, skills and abilities of those participants who have an interest in, or a requirement to deal with these conditions.

Contact: erin.jansen@umanitoba.ca or 204-975-7706

SELF-DIRECTED CLINICAL TRAINEESHIPS

Cost: \$200

Self-directed clinical traineeships are planned learning experiences designed to meet an identified professional need to learn new knowledge and skills or enhance current ones. Traineeships require the identification of learning objectives and a supervisor who will help you to plan learning activities that meet your learning objectives. The activity must be a minimum of 5 days and/or 40 hours in duration and must be less than 6 months in duration. The traineeship usually occurs in a full time block but part-time may be possible in certain disciplines.

Contact: lenore.chipman@umanitoba.ca or 204-789-3238

RESPIRATORY SYMPOSIUM 2017

Date: TBA

Frederic Gaspard Theatre, Basic Medical Sciences Building, 745 Bannatyne Ave.
Topics TBA

Contact: erin.jansen@umanitoba.ca or 204-975-7706

GENERAL INFORMATION

REGISTRATION

For first time registrants, please follow the instructions below:

- Visit our website at umanitoba.ca/cpd
- On the left of the web page, click on **Event Listing/ Registration**
- Scroll down to **All Upcoming Events**
- Select the desired event
- You have three choices for that event: **Web Page | Brochure | Registration**
- To register click on **Registration**.
- Set up your profile
- Follow the instructions to register
- Process your payment by **Visa or MasterCard ONLY**

REIMBURSEMENT OF REGISTRATION FEES

Physicians may be eligible for reimbursement of registration fees and expenses from a fund administered by Doctors Manitoba. For more information, visit docsmb.org or call 204-985-5844.

ACCREDITATION

The Division of Continuing Professional Development is fully accredited by the Committee on Accreditation of the Canadian Association for Continuing Medical Education (CACME).

STUDY CREDITS

All Programs meet the accreditation criteria of the College of Family Physicians of Canada. Select programs meet the accreditation criteria of the Royal College of Physicians and Surgeons of Canada.

PHARMACY CREDITS

The College of Pharmacists of Manitoba recognizes learning activities that have been accredited by The Royal College of Physicians and Surgeons of Canada (MOC) and/or The College of Family Physicians of Canada (Mainpro+). Pharmacists can claim these continuing medical education programs as accredited learning by selecting the appropriate accrediting body in the member's online Professional Development Log.

“Important and challenging topics—good presenters!”

DIRECTOR'S MESSAGE

A MESSAGE FROM THE DIRECTOR OF CPD MEDICINE

Making connections...an essential act carried out numerous times throughout the day of a busy health care professional. We connect with our patients, our colleagues, our co-workers and our community. We connect innovative medical ideas to every day practice.

Welcome to a new season of continuing professional development at the University of Manitoba! We are pleased to support you, the medical expert, in making those connections by bringing you up to date, interactive medical programming to support your learning needs. This coming year will see sessions on the latest medical innovations through therapeutic updates, more hands on skills workshops, and high quality plenary sessions that are accredited for both the generalist and the specialist physician, and open to nurse practitioners, physician assistants and all other members of the health care team.

Our 2016/2017 **Fridays at the University Bannatyne Series** and **Community-Based Series** continue to offer value-packed educational sessions with a wide range of topics including: the focused musculoskeletal exam, assessing competency in the elderly, office based dermatology and mental health resources in primary care. CPD Medicine is also proud to offer an array of stand-alone programs, self-directed learning activities and opportunities for residents to connect to many of the "99 priority topics" for the CFPC examination.

So join us for a new season at the University of Manitoba. Make the connection with your colleagues, the University, and the latest in medical education. Make the connection to learning...for life!!
