

MHIKNET

**An introduction to health library
services for Manitoba physicians**

**Presented by MHIKNET Librarian
Orvie Dingwall**

Objectives

1. Describe how to register for a library card
2. Describe MHIKNET library services
3. Introduce the MHIKNET team

What is MHIKNET?

Pronounced “my net”, MHIKNET is **Manitoba’s Health Information and Knowledge Network**, a service provided by the University of Manitoba Health Sciences Libraries to:

- Staff of Manitoba Health, Healthy Living and Seniors
- Physicians in Manitoba
- Staff of participating Regional Health Authorities

MHIKNET Library Card

- MHIKNET library cards are free!
- Complete the Borrow Registration Form available at:
<http://mhiknet.lib.umanitoba.ca/home/librarycard>
- Fax to MHIKNET at 204-789-3923

MHIKNET Services

- Literature Searches
- Document Delivery
- Current Awareness
- Training, Education, and Orientation Sessions

Literature Searches

Literature Searches

To request a search, you can:

- Complete the online form, or print and fill out the PDF form:

<http://mhiknet.lib.umanitoba.ca/home/literaturesearch>

- Email mhiknet@umanitoba.ca with your request
- Call 1-877-789-3804 with your request

Document Delivery

Document Delivery

- Is there an article, book, or resource that you need?
- Contact us to request an item and we will mail, email, or fax it to you.
- Check out our library catalogue www.umanitoba.ca/libraries

Current Awareness

Current Awareness

- Do you have a favourite **journal**?
- Do you have a **specific topic** of interest that you'd like to keep up to date on?
- Is there a **specific author** whose new work you'd like to be alerted to?

Training and Orientation Sessions

Sample Training and Orientation Sessions

- How the library can help you
- Evidence Based Practice
- Googling for Good Evidence
- Keeping Current with the Literature
- Free Health Apps
- Reference Managing Software
- PubMed Basics
- PubMed Advanced

Electronic Access and MHIKNET

- Other than UpToDate, MHIKNET does ***not*** include electronic access to the University of Manitoba Libraries e-journals, databases, or e-books at this time
- Those with **Faculty appointments** with the University of Manitoba ***can*** access these electronic resources

What is UpToDate?

- Electronic clinical decision support used by clinicians and non-clinicians in the delivery of healthcare.
- Includes:
 - more than 10,500 topics,
 - drug database,
 - 1,500 patient education topics
 - more than 28,000 graphics
 - medical calculators
