

WORKSHOP

February 23
2018

9am – 4pm

Room 474
Chown Building
Bannatyne Campus

Instructors

Maya Jeyaraman, MD PhD
Review Manager

Rasheda Rabbani, PhD
Biostatistician

Christine Neilson, MLIS
Information Specialist

The Centre for Healthcare Innovation will be hosting a one day workshop featuring experts from the **Knowledge Synthesis** platform:

Introduction to Systematic Reviews and Meta-Analysis of Observational Studies

Learning Objectives

1. To understand non-randomized study designs and observational reviews.
2. To understand the process of preparing a review question, developing the protocol & search methods and assessing study quality.
3. Points to consider when including observational studies in a meta-analysis.

A mix of didactic lectures and interactive discussion will be used.
