

MHIKNET (pronounced “my net”), is Manitoba’s Health Information and Knowledge Network and is a service provided by the University of Manitoba’s Health Sciences Libraries to:

- staff of Manitoba Health, Seniors & Active Living,
- staff of participating Regional Health Authorities, and
- fee-for-service physicians in Manitoba.

MHIKNET provides quality information for patient care, evidence-based practice, and continuing education.

## Literature Searches:

Do you want to know more about these or other topics? Health sciences librarians will do a professional literature search for you on any topic or question you have. We will send you a list of references by email, mail, or fax. Select the citations that are of interest to you and we will send you the full text documents.

Request a search at: <http://mhiknet.lib.umanitoba.ca/home/literaturesearch>

## Current Awareness:

Our librarians can set up current awareness alerts on specific topics, authors, and/or journals of interest to you. You will receive an email every week that cites any new articles that have been published on your topic.

Contact us to set up a current awareness alert: <http://mhiknet.lib.umanitoba.ca/home/currentawareness>

## Document Delivery

Do you want one of the resources listed? Is there an article, book or resource not mentioned here that you need? Contact us to request the item, we will mail, email, or fax it to you.

For more information visit: <http://mhiknet.lib.umanitoba.ca/home/borrowing>
