

Power Up Your CPD Credits

With the College of Family Physicians of Canada and University of Manitoba

[Linking Learning to Practice](#) Program (click the link to learn more)

Linking Learning to Practice is a self-administered, semi-structured exercise. It challenges you to look at day-to-day activities as learning opportunities. The submission form helps you to identify a question, and then guides you through a series of critical inquiry and practice reflection exercises on your way to answering the question. Each completed exercise earns you:

5 Mainpro + certified credits

[SUBMIT ONLINE](#) through the CFPC

To support your application we have provided the following information:

<p>Program Title:</p>	<p>What to do with what lies under the dressing? A Primer on Wound Care. Friday, June 1st, 2018 Hosted by the University of Manitoba, Continuing Professional Development</p> <p>Dr. Brigitte Sabourin Dr. Gregory Harding Susan Poiron, RN and Marina Potenza RN</p>
