## OPIOID AGONIST THERAPY 101: AN INTRODUCTION TO CLINICAL PRACTICE

**THURSDAY, SEPTEMBER 10 AND FRIDAY SEPTEMBER 11, 2020**

The workshop is accredited for both family physicians and Royal College fellows. Whether you are interested in prescribing or dispensing opioid replacement therapy, or whether you just want to learn more about opioid addiction and the resources available to your patients, this workshop will arm you with new knowledge and skills around supporting this vulnerable patient population.

### AGENDA

0800 - 0820 Check in and coffee  
0820 - 1630 Workshop - includes lunch and breaks

THIS PROGRAM WILL BE OF INTEREST TO PHYSICIANS, NURSE PRACTITIONERS, NURSES, PHARMACISTS AND OTHER ALLIED HEALTH CARE PROFESSIONALS.

### OBJECTIVES:

At the end of this workshop, participants will:

- Have acquired the prerequisite knowledge to initiate and monitor patients on methadone and/or buprenorphine/naloxone.
- Be able to demonstrate basic decision making skills essential to providing or dispensing safe and effective opioid replacement therapy.
- Be able to explore the value of sensitivity, understanding and commitment in the delivery of addictions medicine in clinical or pharmacy practice.
