

LOCAL ANESTHETIC TECHNIQUES CERTIFICATION FOR DENTAL HYGIENISTS

FRIDAY, NOVEMBER 20, 2020 – SUNDAY, NOVEMBER 22, 2020*

This course is designed for dental hygienists who would like to become competent in the administration of both block and infiltration local anesthesia. Emphasis is placed on the mechanisms of pain and a thorough understanding of the pharmacology of drugs used in dentistry and their interactions with the patient's current medical conditions and medications. The participants are required to do a home self-study component prior to the three-day course. A pre-clinical examination on day one of the course will be administered which has a passing grade of 70 per cent. During days two and three, participants will receive over the shoulder coaching as they administer local anesthesia on each other. Upon successful completion of the clinical competency examination at the end of the program, participants will be issued a certificate of completion.

Learning objectives

At the end of the course, participants should be able to:

- Discuss the mechanism of pain including its generation, perception, sources and classifications
- Discuss both traditional and non-traditional methods of pain control
- Identify the anatomy of the head and neck as it pertains to the administration of anesthetic agents
- Discuss the significance of the medical history as it relates to the administration of anesthetic agents
- Describe the pharmacology of dental anesthetics and vasoconstrictors, including adverse reactions, side effects and contraindications
- Administer local anesthesia safely utilizing acceptable infiltration and block anesthetic techniques
- Identify the landmarks, site depth of penetration and anatomy anesthetized for all injections

**45 HOURS CDE CREDITS
(LECTURE AND HANDS-ON)**

AGD Subject Code 340

Fee

Dental hygienist: \$1,590

*COVID-19 STATEMENT

We are monitoring public health and provincial government directives, with the health and safety of our dental and public community at the forefront. The progression of the pandemic situation and the guidance provided by national and provincial health authorities may allow some in-person classes to go ahead in the fall. Please continue to check our website at [cpd-umanitoba.com](https://www.cpd-umanitoba.com) and join our mailing list to remain updated on any course changes. Registrants will be notified, by email, of any course changes that may be necessary due to the COVID-19 pandemic.

REFUND POLICY

Generally, a registration fee refund may be granted upon written request 14 days prior to the start date of the course; however, an administration fee will be retained. Please refer to each specific event brochure for exact details.

If written or verbal notice of withdrawal is received from a registrant less than fourteen (14) days prior to the date of the event, requests for refunds will be assessed on a case-to-case basis and are at the discretion of the Office of Continuing Competency and Assessment.

CANCELLATION

The University of Manitoba Office reserves the right to cancel or postpone any educational program due to an insufficient number of registrations. The decision to cancel will normally be made at least fourteen (14) days prior to the program date.

Each registrant will be notified by email and provided with a full refund of all registration fees. The University of Manitoba is not liable for any loss, damages or other expenses that such cancellations may cause, including, but not limited to, non-refundable airline fares, hotel penalties or lost income.

DISCLOSURE OF CONFLICTS OF INTEREST

In keeping with accreditation guidelines, instructors participating in our programs are required to disclose to the audience any involvement with industry or other organizations that may potentially influence the presentation of the educational material.

CONFIDENTIALITY OF COURSE CONTENT

Distribution, disclosure and sharing of any or all course content that includes, but not limited to, information, images and video materials presented and provided prior to, during and after educational events are strictly prohibited and will be subject to consequences in breaching intellectual property legislation.

DISCLAIMER

The information presented in continuing education courses offered at the University of Manitoba are for educational purposes and not intended to supersede the professional judgement of participants in rendering patient care. Participants are cautioned about the dangers of incorporating techniques and procedures into their practices without adequate clinical experience.

Institutions of dental education have an obligation to disseminate new knowledge and training related to dental practice. Some courses may include controversial materials, philosophies of practice, or commercial references. When a company sponsors a continuing dental education course at the University of Manitoba, this does not imply that the University of Manitoba endorses a particular philosophy, procedure or product.

ACCESSIBILITY

The University of Manitoba is committed to accessibility for persons with disabilities. To request accommodations, contact Sarah Harvey at Sarah.Harvey@umanitoba.ca in advance of your program
