

Fewer signs and symptoms of infection + Faster progress

ACTICOAT[®] is a silver anti-microbial barrier dressing indicated for use over partial and full thickness wounds.

FAST

ACTING

ACTICOAT can kill bacteria as quickly as 30 minutes (*in vitro*)¹⁻⁴

In a clinical trial:

- ACTICOAT dressing was shown in a study to eliminate all signs and symptoms of infection in 60% of wounds within two weeks.⁵

BROAD

EFFICACY²⁰

Provides comprehensive protection and is effective against over 150 pathogens including MRSA, VRE, CRE, and fungi (*in vitro*)

- Including gram positive bacteria, gram negative bacteria, yeasts and fungal wound pathogens (*in vitro*)^{1,2,7,8,10,11,18}

In a clinical trial:

- Patients treated with ACTICOAT dressing were nearly three times more likely to heal during the study than patients treated with other silver dressings.⁵

150

SUSTAINED

ACTION

^{9,10,13,15,14,16,17,12}

With a sustained action of :

- Up to seven days for ACTICOAT 7 and ACTICOAT Flex 7 dressings^{9,10,13,15}
- Up to 3 days for ACTICOAT and ACTICOAT Flex 3^{14,16,17}

From a patient perspective:

- Fewer dressing changes reduces stress and trauma. Limiting disturbance to the wound can also lead to faster healing¹²

OUR TECHNOLOGY

ACTICOAT has a proprietary nanocrystalline structure² with a high surface area of silver – enabling more bactericidal silver²¹ to come into contact with wound fluid.

Size	Code	Pcs/pkg
ACTICOAT°		
5cm x 5cm	20601	5
