

## MHIKNET Library Services

MHIKNET (pronounced “my net”), is Manitoba’s Health Information and Knowledge Network and provides quality information for patient care, evidence-based practice, and continuing education. This service is provided by the University of Manitoba’s Health Sciences Libraries to:

- staff of Manitoba Health,
- staff of participating Regional Health Authorities
- fee-for-service physicians in Manitoba

[Register for your free library account!](#)

### Literature Searches

Health sciences librarians will do a professional literature search for you on any topic or question you have.

### Current Awareness

Keep current with weekly emails of newly published resources on your topic of interest.

### Order Full-Text Resources

Hit a pay wall? Request the full-text for free from us at [mhiknet@umanitoba.ca](mailto:mhiknet@umanitoba.ca). Click on this icon  in the following list to open a document delivery request.

For more information please visit [www.mhiknet.ca](http://www.mhiknet.ca)
