

MHIKNET Library Services

MHIKNET (pronounced “my net”), is Manitoba’s Health Information and Knowledge Network and provides quality information for patient care, evidence-based practice, and continuing education. This service is provided by the University of Manitoba’s Health Sciences Libraries to:

- staff of Manitoba Health,
- staff of participating Regional Health Authorities
- fee-for-service physicians in Manitoba

[Register for your free library account!](#)

Literature Searches

Health sciences librarians will do a professional literature search for you on any topic or question you have.

Current Awareness

Keep current with weekly emails of newly published resources on your topic of interest.

Order Full-Text Resources

Hit a pay wall? Request the full-text for free from us at mhiknet@umanitoba.ca. Click on this icon  in the following list to open a document delivery request.
