To our esteemed volunteers,

In recognition of National Volunteer Week, we would like to take the opportunity to say a very special thank you to all our colleagues, who volunteer their time, expertise, and leadership in support of our programming. We could not produce our high caliber of educational activities without all of your contributions.

It has truly been a privilege to learn and work with you. Your commitment to the Office of Continuing Competency and Assessment is both recognized and appreciated.

We look forward to the ongoing strengthening of our working relationship as we continue to develop and grow.

Sincerely,

Office of Continuing Competency and Assessment Team
